

Brief Recap & proceeds...

**INDIA MEDICAL
EXPO 2016**

January 7-9, 2016

Bangalore International Exhibition Centre, Bangalore

Dignitaries from Govt. of India and CEO's of India Med Tech fraternity – Glimpses from CEO Roundtable at India Medical Expo 2016

Major Discussion Points of CEO RT :

1. **New Medical Device Act** was a unanimous ask by Industry CEOs
2. Medical Device CEOs recommended the Government **to not to implement Pharma style price control** on Medical Devices
3. Increase and **build the capacity of regulators** in Medical Devices and IVDs to enhance ease of doing business.
4. **Demand Generation** - Industry recommended Governments support in increasing the penetration of medical devices in India
5. Government to rationalise the existing duty structure by incentivizing the imports of raw material and inputs and not dis-incentivizing Import of finished products.
6. Demand Vs Complexity of manufacturing should be evaluated before creating a Make in India agenda

Med Tech Focused sessions
